Overview

Installation Guide

Overview

- 1) Home
- 2) Mute
- 3) Multi-Media key
- 4) Pairing
- 5) Power: on/off
- 6) USB charging port

Pairing your Bluetooth Keyboard with your device

Press the “power” button for 1-3 seconds, the green LED will turn on.

Press the “pairing button”. The blue LED on the keyboard should now be periodically flashing.

The Bluetooth keyboard is now in pairing mode and waiting for a connection with your device.

When pairing your Bluetooth keyboard, if an automatically generated passcode is not provided on your screen, please enter the passcode 0000 on your device and Bluetooth keyboard.

Notice

1. When low on power, the green LED will light up for 1 second and blink Intermittently.
2. When charging, the Red LED will light up, until fully charged.

Recharge the battery

Connect the Bluetooth keyboard to your computer's USB port with the USB Power cable (included).

Refer to your Playbook manual to pair the Blue tooth keyboard to your device
